

### **Photo & Videotape Permission**

Dear Parents,

At PRCP we document children's learning and play through photographs and videotapes of activities. These photographs and video tapes may be used in a variety of media such as school story boards, newsletters, school blogs, and website. Students will not be identified by last name on the community blog or other public areas of the website.

I have read and fully understand the paragraph above. I, \_\_\_\_\_,  
give Parker River Community Preschool permission to photograph and videotape my  
child at school.
